Invitation

Dear,

Spring, when everything comes alive again, is upon us. This spring, it gives us great pleasure in announcing the 2010 International Nursing Conference hosted by Kyungpook National University, College of Nursing. The theme of the conference is 'Developing Clinical Research'. The significance and recognition of evidence-based practice has been profoundly increased. Clinical research and evidence-based practice are essential to improve nursing practice. The results of the researches have been utilized to resolve numerous problems in nursing practice and to raise the level of nursing practice to a higher level.

We did our best to offer you an excellent scientific program in nursing research and evidence based practice. So, please do not miss this wonderful opportunity of updating and keeping abreast with latest and best in this field.

Warmest Regards,

Hae Sook Hong, PhD, RN
